History

A & E Security Inc. (DBA: AE Corporate Security), was founded in 2016. Although still in its early stages as a small business, A & E currently employs over 100 Security Officers and is continuously expanding its personnel as well as its clientele. A & E currently services Northern California and is in the process of expanding to Arizona, Nevada and the Southern California.

Mission

The mission of A & E Security Inc. is to provide the highest quality in customer service-oriented security through a stable workforce, extensive training, superior management and the pride of professionalism through our staff. A & E places great emphasis on providing quality and consistent service to our customers.

Methods

Our security guards are trained to act as a criminal deterrent by adopting the principles of the *Community Police Officer Program* methodology. Our guards are encouraged to be an approachable source of information to patrons, residents, and employees.

Executive Protection

A & E, Executive Protection is considered one of our specialties. Our EP clientele range from professional Athletes, Entertainer's, Media personalities, Dignitaries and other well-known entities. Our EP Specialist range from former Federal Agents to former SWAT members who have all had hundreds, if not thousands, of on the job hours dealing with Executive Protection.

Event / Nightclub Security

A & E's specialty. From our inception as a private security company, we have excelled at large scale Nightclubs and Events. We offer a wide range of Security personnel for single events, or extended security for Nightclubs, Bar's, Entertainment establishments, Hotels, and Convention Center's throughout the Bay Area. Our Security personnel for this aspect of A & E is second to none.

Management/Security Personnel

A & E's management team has well over 100 years of collective experience in police, military, and related security fields. A & E also provides experienced and professional security guards in all levels of security officers including but not limited to: Retired Law Enforcement officers, retired and active Military personnel, and security officers who have been in the industry for several years. A & E Security Officers can be armed in plain clothes, armed in a uniformed capacity, unarmed plain clothed, or unarmed uniformed all of which can meet any one of your security needs.

Below are mandatory standards for each security officer that A & E considers for employment:

- I. Our pre-employment background investigation exceeds that of most police department jurisdictions. Furthermore, our personnel all submit to a 5-panel drug screening, and extensive in-service training. Prior to service with A & E, we will provide you with a full profile of our company's policy and procedure manual.
- II. A & E offers our clients, at no cost, supervisory personnel to ensure strict adherence to our general orders and their rules, regulations, and ordinances. A & E supervisors are utilized as a liaison between A & E and our clients; and available 24 hours a day, 365 days a year for our clients.

- III. All of our security will be equipped with a communication device in order to be in direct contact with A & E supervisors.
- IV. We update every security guard regularly regarding our client's site and expectations. A & E has taken a unique approach to the business of contract security. Many of our competitors employ minimally screened and trained guards. Our approach involves a proactive theory of well-groomed, exceptionally trained, uniformed security guards. Our strategy entails several steps to mitigate the possibility of terrorist activity and opportunity for theft of property or injury to persons within the facility/site.

Applicant Screening

The quality we bring to our client's environment begins long before they see our security guards. The recruitment and training of our personnel is the key to our success; most of our applicants are unable to meet our qualifications.

Private Investigation

A & E offers Private Investigations of the highest quality and experience. The Private Investigations team consist of former or current Law Enforcement Detectives ranging from baseline surveillance all the way to Homicides. A & E also provides Subject Matter Expert testimony for judicial and civil matters.

Training/Consulting

A & E provides training that exceeds the State of California, Bureau of Security and Investigative Services (BSIS). All of our training is conducted by retired law enforcement professionals, who have been California POST certified instructors, and certified CPR, First Aid, and AED instructors.

In addition to the extensive training that is done with our own employees, A & E offer training for our clients in several areas that can be beneficial for the members of their own company. Training includes but is not limited to: Self Defense, Business Leadership, Firearms, Tactics, Report Writing, Defensive Tactics, Executive Protection, Management Consultation, Security Planning, Fire Protection, and Electronic Surveillance/Bug Sweeps.

These services offered in addition many more, can ease the burden of additional training for companies dealing with specific issues within their organization.
